### INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

### History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

### Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

says:

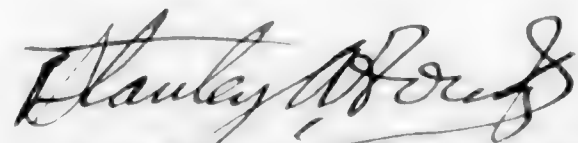

My name is Joe Burns and I reside in Hill City, Tenn. I have known Nancy L. Parker (4385) about thirty-eight years. Mrs Parker was the wife of William Scott. I have known Joseph L. Scott, son of William Scott, ever since he was born in 1879. I knew William Scott for thirty years and up until the time he died in 1879. William Scott lived in McMinn Co., Tenn. all the time that I knew him, ~~with~~ except for a few years previous to his death he lived in James Co., Tenn. I was also ~~well~~ acquainted with George Scott, who was a brother of William Scott. The Scott's were always known as Cherokee Indians. I know of no enrollment of William Scott or his brother George as Indians. I remember that a Government agent came through this part of the country years ago, but William Scott was dead at that time. William Scott's father, the grandfather of Joseph L. Scott, (4387) lived in Roane Co., Tenn. This is all I know about the matter.

State clearly all your reasons for thinking that you are entitled to share in this fund.

Hon. Guion Miller,  
Special Commissioner, Etc.,

Dear Sir:-

Your letter of June 26th, 1908 received and contents noted; and for reply will say, that my father, William Scott, was a Cherokee Indian, but I don't know when he was enrolled. He was born, according to the best information that I have, about 1820. He was living in 1835 in Monroe County, Tennessee. He was living at the same place in 1851, and I don't know whether my father William Scott or his father either ever lived with the Cherokee tribes or not.

My father was a Cherokee Indian, the proof of which you have on file, and that is the only reason for thinking that I have a right to participate in the lands set apart for the Cherokee Indians. All that I know about this matter is information that I have gathered from others. Should the Commission with any further proof as to my right to participate in this land I will be able to furnish such proof.

Madam:

Relative to your application for participation in the Eastern Cherokee Fund, you claim your right to share in the distribution of this fund through your father, John Buster. His name fails to appear on the Eastern Cherokee Roll of 1851.

The name of your aunt, Adaline Buster, also fails to appear on that roll.

Kindly advise this Office why they were not enrolled on the Eastern Cherokee enrollment of that date.

Also state why your grandparents, Daniel Buster and Rebecca Buster, were never enrolled on any Eastern Cherokee enrollment.

Was your grandmother, Rebecca Buster, a white woman, an Indian, or a negro? If negro, was she ever held as a slave? If any of your people were ever held as slaves, so state. If they were ever so held, were they owned by white people or Indians?

Please give this matter prompt attention and refer to No. 8485 in your reply.

in regard to the

father was living in

white woman. My  
father was quoted  
to be a Quian

Minerva E. Chaney and Martha M. Spence being first duly sworn, depose and say:

That Minerva Chaney is 48 years of age and Martha Spence is 54 years of age, living in Chattanooga and Hill City, respectively. Claim ~~that~~ Indian blood through father and grandmother on father's side. We understood our grandmother belonged to the Cherokee tribe. We were taught she came from N.C. but do not now what part. Our grandfather married her back there somewhere and brought her to Grainger County. That was about in 1812. Then they went to some place in Kentucky. I don't know just when that was. They died in Kentucky. My father was born in Kentucky in 1812. My grandfather died when my father was just a child and my grandmother married a man by the name of Rice. My father lived in Ky. off and on until he was grown and then came to Union Co. Tenn. and married my mother there and raised his family there. If my grandmother was ever enrolled under the name of Rice. I don't know when grandmother died, but think it was about 1858. We are Indian and white. We can't find any living witnesses who knew my father and grandmother who can testify any more than we can. I never knew of my father being enrolled.

Signature of Witness Minerva E. Chaney

Subscribed and sworn to before me at Chattanooga, Tenn. this 19th day of June, 1908.

Neither of the witnesses by their features or appearance show Indian blood to any degree and have all appearances of being white people. The niece that is with them claiming thro the same source is a blonde and of exceedingly fair complexion. Don't think the claim is entitled to much consideration. As done of the Court of Claims.

Mr L. B. Jones his successor advised  
us that he would charge 25% on

Would like to know if you think  
this reasonable? Does this have to come

If you will refer to claim filed by

he has refused to impart any to

Sir:-

Your letter of November 19, 1907, relative to the applications for participation in the Eastern Cherokee fund which were filed through the late Mr. L. B. Jones, is at hand.

You are advised that the claims on file will be taken up and carefully considered, and the claimants will be enrolled if they are found to be entitled.

This investigation will be made regardless of whether the claimant is represented by an attorney.

If the claim is particularly complicated, a local attorney might be of service to the Commissioner, but is in no case required by this office.

A circular letter is inclosed, herewith, relative to the application of Minta Orledge.

Very respectfully,

Special Commissioner.

~~Dear~~

Washington D.C.

Sir: I am informed that  
there is a Request that we  
as Eastern Cherokee Indian  
claimants must show the  
~~Dates~~ and Date of Birth  
and Death of our ancestor  
Red Sizerman. We think  
we will be able to do that  
soon. But I imagine that  
that will not suffice, as  
we had undeniable Proof  
made by one Elisha Blum  
and held before the

2  
Daws Commission  
on Sept. the 10<sup>th</sup> 1896,  
That Ned Sizemore was  
a Full Blood Cherokee  
Indian, and that he lived  
and died in Ashe county  
NC, and when we filed our  
claims, we asked for  
citizenship in the Cherokee  
Nation Indian Territory,  
and we was Denied  
citizenship for the simple  
Reason that Ned Sizemore  
was never a citizen of the  
the Cherokee Nation I.T.  
I guess it was defeated  
by such men as Col  
Robert L. Owen.

3

When he Received  
\$200000 in one Cherokee  
Case, we know There are  
other Bands who are Doing  
all they can, to Defeat us,  
therefore in the Days of  
1835 and further Back  
Records was not so Exten-  
sive kept as they are  
now. Especially in  
a mountain Country like  
this, the County-  
seat of Ashe County is only  
about 100 years old.  
Therefore we do not know  
for Sure that we can  
get a Record from the  
Registered Books in

44  
Ash County or not  
But we do know we  
have made the Proof by  
old men that is dead and  
gone also some living  
yet that Ned Sizemore  
was a full blood Cherokee  
Indian, though the balance  
of these witnesses will soon  
be gone, why not look  
up the Proof made and  
filed before the Dawes  
Commission at Vineta  
I. T. on Sept 10<sup>th</sup> 1896,  
hoping the matter will be  
adjusted soon, I remain  
fraternally yours

Mr Miller

I will answer the Best I Can  
the questions required of me.  
My grand father on my mother's side  
was Odagahsee. I don't know his  
English name. My grand mother's  
name was Nellie or Nellie - in 1857  
They lived in Going Snake District  
Cherokee Nation one of my uncles was  
named Chualoke. Yes my father  
David Hitchen was a full blood Cherokee  
Indian. My Mother Susie or Susannah  
was a full blood Cherokee Indian.  
I am a half brother to John Hitchen  
of Stillwell Okla. as I was young when  
my Parents died. I am unable to give  
the names of all my ancestors. Trusting  
This will be sufficiently shown to have  
my name placed on the migrant  
Rolls I remain yours Very Resp

#4899

Walter S. Whitmire, being first duly sworn in behalf  
of Ned Hitcher, deposes and says:

My name is Walter S. Whitmire: I am 57  
years old; I have known Ned Hitcher ever since he was a child:  
I also knew his parents: I never knew any of the grand arents of  
Ned: The mother of Ned Hitcher was Susannah. She was an orphan  
and was raised by a man by the name of (Standing) whose wife was  
called Nancy. (Deer)

Susannah, the mother of Ned Hitcher died about 15 years ago  
and she was about 60 years old at the time of her death: I have been  
told by Ned that his mother drew the Emigrant money in 1851: To my  
knowledge she was always recognized as an Emigrant Cherokee: It is  
my understanding that Susannah lived with Standing Deer when she was  
quite a small girl. Tah-chee-che was a near neighbor of Standing  
Deer in 1851: The wife of Tah-she-che was Celly and his children were  
Lucy, Co-ker-we-you, Cady and Take. (See 493 G. S.)  
(See 487 for the enrollment of Standing Deer and his family )  
(See 488 for the enrollment of the mother of Applicant )

I never knew the parents of David Hitcher. I do not know  
how David Hitcher was regarded, whether an Emigrant or Old Settler:  
I never heard of him getting any Old Settler money: I first knew  
him at the close of the Civil War; I think that he came from some  
other District than Going Snake. The Cherokee name of David  
Hitcher was Tee-ga-sa-duh-skee or Hitching. I do not  
know anything about the ancestors of David Hitcher.

He is a full brother of the applicant and it may be that his application  
may throw light on this claim. )

and says:

My name is Iza Cooper. I am 41 years old. My mother was Rosanna Pippin, the daughter of Thomas Pippin, who was the son of Franklin Pippin who was the son of Betsy Walker. Betsy Walker lived in Knoxville, Tennessee, and was born there and let Tennessee with the tribe when they emigrated and she came down near Tahlequah. John Morris is the best witness I can get conveniently. I have one sister ~~and one brother~~, Mary Smithson ~~and~~ My uncles on my mother's side are Carlin Pippin, Fayette Co. Ill.; John Pippin, lived in Fayette Co., Ill, and came from Tennessee. These are the oldest ones. Nicholas Pippin and Joseph Pippin who, I think, were born in Illinois.

Misc.

John W. Morris, ----- being duly sworn, deposes  
and says:

My name is John W. Morris. I am 78 years old. I have lived in Lenapah about 8 or 9 years. I came from Illinois. I was born and raised in Ohio. I know Iza Cooper. I know her first in Illinois. Her grandfather claimed to be about half-blood Cherokee. Both sides were part Indian. Her mother's father was Squire Tom Pippins. Her mother's maiden name was Rose Ann Pippins. Her mother has been dead 72 years. Iza Cooper's maiden name was McMillan. She and her mother lived in Illinois. Uncle Tom told me he came from Knoxville, Tenn. They came into Illinois from Tennessee previous to 1854, the beginning of my acquaintance with them. He did not care to live with the tribe any more. I don't think she was ever enrolled before this. She went before the Dawes Commission about six years ago. She was put on the Rejected Roll of the Dawes Commission. Iza Cooper is about 41 years old. They were not enrolled about 25 years ago. Tom Pippins never received a dollar from the Government. He never associated with the Indians after leaving Tennessee as he said he had enough of tribesmen. He would be 95 if living. In 1838 he was with the tribe. He went to Tennessee when the tribe traded for this land. He would not come with them. He was educated and did not want to go with the tribe. Squire Tom Pippins father and mother I think were parties to the treaty of 1835. John Walker I think was an uncle to Tom Pippins. I do not know of Tom Pippins having any brothers. I think Mrs. Stigall was a sister to Tom's wife. The Walker treaty was quite a while before the Emigration. I know Chief Ross. I am no relation to Tom Pippins. Evidently he was in Tennessee in 1835. Since Tom Pippins none of the family have received any money. John Walker was an uncle to Tom Pippins. Chief Walker made that treaty but what became of him I do not know. Tom Pippins father was Franklin Pippins and he was a half-brother to Franklin John Walker. They had the same mother, Betsey Walker. Her first husband was Pippins and second husband Walker. John Walker I understand was the man who made the treaty and he must have been enrolled. I think this is about all I know.

Sir:-

I have the honor to acknowledge receipt of your letter of December 28, 1907, in reference to the status of the claim filed by Robert S. Sizemore, of Corsicana, Texas, for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees.

You are advised that the claim in question appears to be one of very many claimants who trace their Cherokee descent back to an alleged Cherokee Indian by the name of Ned Sizemore. This Sizemore family, and the many descendants claiming through this particular line, is now being especially investigated by this office, but no definite conclusion has as yet been reached in the matter.

More definite information will be supplied in practically a short time.

Very respectfully,

Special Commissioner.

February 21, 1908.

Adolphus Silversmith,  
Grove, Oklahoma.

Sir:

You claim the right to share in the distribution of the Eastern Cherokee Fund through your father, West Silversmith, who you state was enrolled in 1851 in Delaware District, Cherokee Nation. The name West Silversmith does not appear on that roll. If he was enrolled at that time, as you state, he must have used a name other than this. Kindly furnish us with the correct name.

Give the names of the members of his family who were enrolled with him at that time.

As the name of your grandfather, Jonathan Silversmith, does not appear on that Roll, it is evident that he must have used a different name. Kindly furnish us with that name.

Were any of your people enrolled with the old settlers?  
Please reply promptly and refer to No. 16344.

Very respectfully,

Special Commissioner.

Report

Report in re application No. 4914.

It does not appear that the immediate ancestors of applicant were enrolled in 1835 or in 1851. Applicant claims through a Betsy Walker, who, she states, was her great-great-grandmother. There is a Betsy Walker on the Roll of 1835, also on the Roll of 1851 we find two Betsy Walkers, one enrolled in Tahlequah District and one enrolled in Delaware District, but there is no evidence to show that applicant is connected with either one. Applicant's grandfather was named Thomas Pippin, and it is claimed that he was the grandson of Betsy Walker, whose first husband was named Pippin, her second husband being named Walker. This Thomas Pippin moved from Knoxville, Tenn. to the State of Illinois prior to 1854, and if he had been a member of the Cherokee Tribe he would have been enrolled in 1835 or in 1851, or his father, who was Franklin Pippin, would have been enrolled, but we do not find the name "Pippin", or any similar name, on either the 1835 or 1851 rolls. This applicant made application before the Laves Commission in 1903, but was rejected.

This application before the Special Commission of the Court of Claims should be rejected. *Muse. No. 2041 + 2042.*

Sir:

I am in receipt of your letter of October 15, 1909 (C.F.4929), in connection with the eastern Cherokee enrollment. You ask if there is on the rolls prepared by this Office the name of Sallie Agent. This person claims to be about 22 years of age and to be the daughter of Dick Agent and Elsie Drywater.

In reply you are advised that the name given by you does not appear on the rolls of Cherokee citizens as prepared by this Office, nor do I find any application for such enrollment. I find, however, that Dick Agent in 1880 and 1896 was enrolled as Agent Dirttrack, and that Charlotte Dirttrack, who is enrolled opposite No. 20368, and whose present age, according to the records of this Office, is 23, is the daughter of Agent Dirttrack and Elsie Drywater.

This information is given you in view of the possibility that this may be the person about whom you inquire.

My name is Cora Inglis. I am enrolled by the Dawes Commission #12583. I was enrolled under the name Cora Norton. I am 26 years old, and was born in Okla. I claim my Indian blood through my mother. Her name was Nancy Beamer before she was married to Ashley Norton. He was a white man. My mother is dead, she died when I was two years old, and was some where in the thirties when she died. I don't know the names of her parents. I did not know her myself. I think my mother was about 13 years old when I was born. I don't know whether my grandparents were living when I was born or not. I think my mother drew money with the Cherokees in 1851. I don't know what relation Nass Beamer was to my mother. I never heard of him. My mother has one brother, John Beamer. He is here and knows more than I do.

I am 68 years of age, and live in Washington County, Va. I was born in Stokes County, N.C. I have heard my people say that we had Cherokee Indian blood. My Indian blood comes through my mother. I do not think she ever received any money from the Government on account of her Indian blood. She has been dead about twenty years. She was born in Stokes County, N.C. I think she was about 73 years of age at the time of her death. My mother has talked lots to me about her Indian blood. She said her Indian blood came through her mother, Minnie Reed, and she was a daughter of Si Reed,--that is Nina Reed. Phillip Sizemore was the father of Si Reed. I have heard my mother say that Phillip Sizemore was a full-blood Indian. She never said where he lived. I have heard talk of old uncle Ned Sizemore. I never saw him, but I have seen Phillip Sizemore. I do not know if Phillip Sizemore and Ned Sizemore were related. Uncle Ned Sizemore did not live far from where we lived in Stokes County, N.C. I am sure that his name was Phillip--that is what I have always heard referred to. I do not know where Si Reed lived or died. I do not know whether he ever received any money from the Government on account of his Indian blood. I have seen one or two of the Sizemores, but I do not know whether Phillip was one of them or not. I have never heard my mother speak of having been enrolled as an Indian. My uncles, (my mother's uncles) Si and Tom Reed have visited my mother. I saw four Indians in one day in Stokes County. They were passing through the country, and I do not know where they lived there. I was born in 1841 and my father left Stokes County in 1871 (he lived down on the Yalbin River) and went to Smythe County, Va., and stayed there two years and then came to Washington County, Va. It was a long time then we lived in Stokes County on the Yalbin River that I saw these Indians. He never said any money about 1871.

Nancy Patterson,

Gainesville, Georgia.

Madam:

Relative to your application for participation in the Eastern Cherokee Fund, kindly advise this Office where you were living in 1851 and why were you not enrolled on the Eastern Cherokee Enrollment of that date. The names of your brothers and sisters who were all living in 1851 also fail to appear on any Cherokee enrollment. Why were they not enrolled?

Give the names of the other members of your family who were enrolled with John Tucker. How long has John Tucker been dead? There was Diana Hubbard living in 1851: did she have an Indian name; if so, what was it?

Were you ever held as a slave; if so, were you owned by white people or Indians?

Please give this matter prompt attention and refer in your reply to No. 4961.

Very respectfully,

THK/TEA

Dear Sir:—

Yours of Dec. 9th received after  
some delay by reason of having <sup>been</sup> this  
sent, hence the delay in answering.

In answer to the first question  
as to where I was living in 1851, and  
why I did not enroll, - answer, I was  
living in 1851 in Gilmer County, Ga. and  
why I did not enroll was, because at  
the time I did not know that it was  
required to enroll. I never heard any  
thing about having to enroll. I was the  
eldest of the family, of my father and  
mother's children, and why my mother  
and sisters did not enroll I do not  
know except that they thought it was not  
necessary. They had no idea that it was nec-  
essary. We were raised very poor and in  
ignorance and had no opportunity of  
knowing that so.

Other members of my family  
and I lived with my father and  
do not remember who or how many.

thing like twenty five or thirty years. Diana  
Hubbard lived in Gilmer County in 1851.  
Her Indian name was Diana Tucker a

Floeba M. Freeman being first duly sworn, deposes and says:

My name is Floeba M. Freeman. I live at 707 Marietta Street, Atlanta, Ga. I was born in 1848 in Cherokee County, Ga. I claim Cherokee Indian blood through my mother and her mother and father. My mother died in 1868 and was 66 years old when she died. She was born in Walton Co., Ga. My grandmother's name was Fannie Tutley before marriage. She married a Spence. I think she was raised in Group County, Ga. My great grandmother's name was Fannie Sawnee. She was a full blooded Cherokee Indian. She married John Doe. My mother ~~was~~ was recognized as a white woman. I don't know about my grandmother. My mother and my grandmother lived with the white people. I never heard of my mother and grandmother living with the Indians. I know my mother never got any money or land from the Government on account of her Indian blood. I don't know whether my grandmother ever did or not. My father would not let my mother be enrolled, did not want the children to know that they had any Indian blood. Lots of my kin folks were enrolled. I never heard of my grandmother being enrolled. In 1851 I was living in Cherokee Co., Ga. In 1882 I was living in the same place. I did not know anything about an enrollment at those times. My mother always told me that I had Cherokee blood. I heard of a treaty in 1845. I don't know whether any of my ancestors were enrolled at that time. I don't know why my mother and grandmother did not go with the Indians when they were driven out of this country. My grandmother married a white man. My father was a white man. The statement in my application to the effect that my father and mother may have been enrolled in 1851 is not the truth. My father had no Indian blood, and I know that my mother was not enrolled. Fannie Sawnee lived in what is now known as Forsyth County. I don't know the name of her father or mother.

(Opp. 4778-4779. HWK)

Mr. A. J. Ga. Dec. 21st 1907

Hon. Gen. Miller Washington D.C.

My dear Sir: - Replying to yours of 17th inst  
Will say my exact age is 47 years 1 month  
and 16 days.

I was born in Milton Co. Ga.

My parents were living in Cherokee or Garretts  
Co's Ga in 1861. I suppose from what I have  
heard my mother say that they were Enrolled at  
that time.

My Grandmother on my mother's side was  
Lucy Jones (nee Spence.)

And my grandparents were living in Cherokee  
Co. Ga. in 1861.

If they were not enrolled doubtless it was through  
the carelessness of my grandfather, who was never  
diligent in business and drank a lot in his  
life.

I have heard mother say that Fannie Pae was  
on the roll and drew some money.

( 2 )

I was born Nov. 5th 1860.

My Mother nor my self were never held  
as slaves.

On my Father's side I am Scotch, on my  
Mother's side I am Irish and Indian.

Any farther information desired I shall  
be pleased to furnish if possible.

I am Fraternally yours.

Rufus S. Sanders.

have been away on pastoral work and just

App. No. 4778--4979

December 17, 1907.

Rufus C. Sanders,

Mount Airy, Georgia.

Sir:

Relative to your application for participation in the Eastern Cherokee Fund, kindly advise this Office your exact age, also state where you were born.

Where did your parents live in 1851 and were they enrolled on Eastern Cherokee Enrollment of that date? If not, why not?

Who was your grandmother on your mother's side and where were your grandparents living in 1851? If they were half blood Cherokees as you state in your application, why were they not enrolled on any Eastern Cherokee enrollment?

You claim a right to participate in the distribution of the Eastern Cherokee Fund through Fannie Roe, a half blood Cherokee. Why was she never enrolled on any Cherokee enrollment?

Were you living in 1860? If so, were you ever held as a slave? Also state whether or not your mother was ever held as a slave; if so, was she owned by white people or Indians?

Please give this matter prompt attention and refer in reply to No. 4778--4979.

Very respectfully,

HWT/MA
